

Milk Order 2017/18

5th March 2018

Dear Parent,

As a school we strive to support families to promote their children's health, especially their dental health. Children as part of our healthy eating policy are only allowed to drink either milk or water at break. We are keen, however, that parents opt for milk.

To facilitate this milk can be purchased through the school ensuring that a fresh carton is delivered to your child each day.

The third milk order of the year begins on **Monday 9th April. It will conclude on Friday 29th June.** We believe this termly ordering system is convenient for parents and enables us to improve the accuracy of the ordering system to reduce waste.

Please complete the form below if you would like your child to have milk in the Summer Term. The cost for this period will be **£12**. Please return all milk order payments by Tuesday 20th March. I would like to stress in advance that we are unable to accept late orders. If your child is in **Year 7** the cost is reduced to **£11** due to their early finish to facilitate transferring of records.

All money and reply slips must be put in a sealed envelope. Your child's name and class should also be written on the envelope. The heading **Milk Order** should also be clearly marked on the envelope.

Yours sincerely,
F. Bailie
Principal

Milk Order Form
